Dear Mayor Bray,

I will help make my community beautiful by STOPPING
littering. I want people to start
recycling more because when you
recycle you can use the stuff
you recycled. I want people to stop
killing animals and they also
help us. I want people to stop
littering because it damages
the environment and makes it
look bad. This is important
because we need to save
the earth/environment!

Dear Mayor Bray,

I will help make my community beautiful by not littering.

It is important not to litter because

we will have to breath toxic air

It is important not to litter because when

it rains the garbage will go in the lakes

and rivers. I will pick up trash so my

community looks better.

Dear Mayor Bray,

I will help make my community beautiful by planting trees
and plants. I will do this by going to lawes and
buying trees. Then I would go to the park and
plant them all. Then I would water them everyday
and trim them every once and a while.
This is because if they grew to big then they
would take all the sunlight. Then the park
would be a vety beutiful pldce to go to.

Dear Mayor Bray,

I will help make my community beautiful by picking up trash.
Planting more plants like trees, flowers, for food
like fruit and honey. And by recycling and picking
up trash and putting it in the trash can. And by using
less paper so we don't cut down more trees. And by
not cutting down trees because animals live in
those trees and the animals are losing their
homes.

Dear Mayor Bray,

I will help make my community beautiful by planting plant.
I can do that by planting plants in my yard. it
is not just that I can ~~pull~~ Weeds in
my yard. A notuer Why ^{it pull} is to not cut
down trees unless you reely need to. It
is important because if we cut down trees it
will be boring and if we have no ~~plant~~
their will be rilly grae and plane ^{plant}

I will help make my community beautiful by Picking and recycling. Helping old people cross the road when they need help.
I would make my community beautiful by giving people ~~compliments~~ compliments on their clothes, hairstyle, shoes, and giving them something. You see i was always told to if someone is hurting your feelings or making you cry of how mean they are too you dont bully them back because something might be going on that they dont wanna tell anyone or probably not even the teachers. Because what happens in the dark always come too light. Some people might get bullied cause they are a nerd but a nerd is a good thing you're smart, happy, and you follow directions so thank you mayor for looking at my message!
