OAK GROVE CEMETERY REGULATIONS AND GUIDELINES

It is the desire of the City of Paducah to make Oak Grove Cemetery a quiet, beautiful place for the deceased and visitors. While we encourage the celebration of life, we must also provide proper maintenance, safety, and care of the cemetery. It is to this end that the following rules and regulations have been established.

VISITATION

Oak Grove Cemetery is owned by the City of Paducah and operated and maintained by the City of Paducah's Parks and Recreation Department. The cemetery is open daily from 8am to dark.

Please remain on paths and roadways as you travel through the cemetery. Parking is permitted on the roadways only. Due to the number of visitors in Oak Grove Cemetery annually, the City of Paducah and the Parks and Recreation Department cannot be held responsible for items that are damaged or lost. For questions about the cemetery, please contact Paducah Parks and Recreation at 270-444-8508.

DISINTERMENT OR REOPENING OF GRAVES

Such authorization is normally issued only to a licensed funeral director upon application to the State or local registration official. The next of kin, a court of law, or other authorized person may execute the application. The authorization for disinterment and reinterment is handled in the same manner as an authorization for disposition.
2. Disinterment, removal or reopening of graves shall be conducted exactly the same as original burials, being made only upon a permit issued by the State or local Health Department, which shall direct the manner in which the work shall be done. City employees shall not be allowed and are strictly prohibited from assisting the disinterment.
