**Government Channel 11: *City Profile, State of the City Address***

**PADUCAH, KY**— Government 11, the governmental access channel of the City of Paducah, has a new segment airing for *City Profile*, the program hosted by Tom Butler, West Kentucky Community & Technical College TV Production Coordinator. In this segment, Tom Butler interviews Mayor Bill Paxton about the State of the City of Paducah.

In January for the past several years, the Mayor and McCracken County Judge-Executive have presented the State of the City and County addresses at the Paducah Area Chamber of Commerce Power in Partnership Breakfast. In this episode of *City Profile*, Mayor Paxton presents his State of the City Address to viewers while allowing Butler to ask questions. This format provides an opportunity to provide detailed explanations.

Some of the topics presented in the State of the City Address include the unemployment rate for the region and State, renovations to the Julian Carroll Convention Center, new businesses in downtown Paducah, the expansion of higher educational opportunities in Paducah, and the extension of the greenway trail.

*City Profile, State of the City Address* begins airing January 19, 2009 on Government Channel 11. It can be seen Monday at 8:30 a.m., Wednesday at 9:00 a.m., Friday at 7:30 p.m., and Saturday at 7:30 p.m. For more information about *City Profile* or other programming on Government 11 call Tom Butler at 534-3208 or Pam Spencer at 444-8669.
