

Request for Proposals

**Priority Docking
Paducah, KY**

Date of Issue: December 3, 2025

Re: Request for Proposals
Priority Docking
City of Paducah
300 S. 5th Street
Paducah, KY 42003

Addendum No. 1

This document is an amendment to the original Request for Proposals and shall be a part of and included in the final contract award. Wherein this Addendum conflicts with the original Request for Proposals, this Addendum shall govern.

RFP – Priority Docking

Item No. 1. – Selection Process and Criteria, Pg 3

1. The RFP packet identifies on page 3 that the entity will be required to obtain a Paducah Business License. Is this something that is required prior to the RFP being submitted, or can this be obtained if ACL was decided to move forward with the negotiations?
 - A. A business license is required of any entity doing business in the city.
2. On Page 3 as well, it requires withholding and submitting payroll tax to the City of Paducah. Is this a requirement of the entity applying, or is this something that can be established if ACL is chosen to move forward?
 - A. Any entity that has employees conducting business in the city is required to withhold payroll tax.

End of Addendum No. 1
